CORPORATE PROFILE

OBJECTS and PURPOSE

An Act of Parliament established the Deposit Insurance Corporation on 1 January 1962. With effect from 15 July 1978, it took over the undertaking of the Credit Guarantee Corporation of India Limited, a public limited company promoted by Reserve Bank of India on 14 January 1971 with a view to integrating the twin and cognate functions of giving insurance protection to small depositors in banks and providing guarantee cover to credit facilities extended to certain categories of small borrowers particularly those belonging to the weaker sections of the society. With the integration of the two organisations, the Corporation was renamed as the Deposit Insurance and Credit Guarantee Corporation. From 1 April 1981, it extended its guarantee support to credit granted to small-scale industries also, after cancellation of Government of India's scheme in that behalf.

The Corporation's objective is to provide for the benefit of depositors in banks, insurance against the loss of all or part of their deposits in all branches of a bank to a maximum of Rs.1,00,000. It also provides guarantee support to credit extended by participating institutions viz., commercial banks (including regional rural banks), co-operative banks, state financial corporations and other term lending institutions. Till 31 March 1989, the guarantee support covered certain categories of small borrowers and small-scale industries. Effective from 1 April 1989, guarantee cover is extended to entire priority sector (as per Reserve Bank's definition) advances. Since 1990-91, certain categories of priority sector advances, which are guaranteed by Central/State Governments, ECGC etc., have been excluded from guarantee cover. However,

with the modification in the terms and conditions in April 1995 all banks except one co-operative bank have opted out of the schemes.

The Corporation maintains two separate funds viz., Deposit Insurance Fund and Credit Guarantee Fund. They are funded by the premium and guarantee fees received and are utilised exclusively for meeting the respective claims. Besides, one more fund called General Fund, is maintained in which the capital of the Corporation is held and the staff establishment and administrative expenses are met from the investment income out of this fund. The Corporation was granted exemption from payment of income tax till 31 December 1986.

The authorised capital of the Corporation is Rs.50 crore which is entirely issued and subscribed by Reserve Bank of India.

The management of the Corporation vests in a Board of Directors of which a Deputy Governor, Reserve bank of India, is the Chairman. The Head Office of the Corporation is at Mumbai. It had four branches at Kolkata, Chennai, Nagpur and New Delhi. Out of these branches, three branches at Kolkata, Chennai and Nagpur have been closed with effect from close of business on 30 November 2000 and the New Delhi branch has been closed with effect from 18 November 2002. While their major functions have been taken up by the Head Office, the residual items of work have been vested with the DICGC Cell specially created in the Rural Planning and Credit Department, Reserve Bank of India at the respective centers.
